Tommy's Basketball Updates

The game at Grand Marais went well, last Friday. Once the Bobcats took a significant lead, the coaches put in the younger players so they could rack up some playing time. Bobcats win 75-41.

Due to injury, illness, and inclement weather, the Bobcats were down 4 regular players for yesterday's game at Ojibwe. Even so, the Bobcats played a respectable game against the Eagles, though ultimately losing 88-63.

COLD!

This week's cold snap was intense! Thank you for your patience through our 5th and 6th "snow days". Weather conditions can be tricky. Even if we haven't called off school, please use your best judgement to keep you and your students safe!

Other Cold(s)...

Sniffle Season seems to be in just as full swing as basketball season! Don't forget to stay hydrated and practice good hygiene as we skate through all the winter illnesses.

Missed Games

This week, we missed two away basketball games because of the weather. We may be able to reschedule with the DC Knights after the basketball tournament in February, but we will not be able to make up a game with Big Bay during the Northern Lights League's season.

Report Cards

Your students will be coming home today with their report cards for the second quarter and first semester. Please sign your student's report card and return it to the school so that we have confirmation that a parent or guardian has seen it.

If you have concerns and would like to have a conference with a teacher or the principal, please contact the office to schedule a time.
