**Season Totals**

**Soccer: 7-4 (NLL 6-3)**

**Volleyball: 2-7 (NLL 2-5)**

**Soccer**

The Bobcat soccer team travelled way out to the Keweenaw for two games against Copper Country Christian School. The games were very physical and tested the ability of the Bobcats. Coach Hunter said, "They are probably the best in ball handling that we faced. They could give anyone in our league trouble." The Bobcats tied the game on Friday night and then won in a shootout, which breaks the Bobcats' long-time shootout curse. The Saturday morning game was significantly more physical, and the Bobcats were unable to hang on for a second win.

On Monday evening, the Bobcats took on the Ojibwe Eagles at home. This will be the

only time we face them before the league tournament. The teams played another physical but evenly matched game, coming out ahead with Dylan's made PK and maintaining the lead to a 2-1 victory.

**Volleyball**

The Lady Bobcats took on the Paradise Rockets in an away game, while the soccer team battled with the Ojibwe Eagles at home. The game did not go well for the Bobcats, but the girls came home Monday night with another game's worth of experience. With four games left in the regular season, the girls still have time to work things out before the tournament.

**Water Situation**

We are still trying to resolve our water situation at the school. It is likely going to be at least another ten days. So, would you be willing to make sure your child(ren) brings in a full water bottle from home each day for school. It would really help us out! Thank you, PJ
