## Elementary Student of the Month

Munising Baptist is pleased to announce Alta as the Elementary Student of the Month! She is in Mrs. Heyrman’s 6<sup>th</sup> grade class. Alta is on the Lady Cat volleyball team. Her kind spirit shows in many ways on and off the court by her being a huge encouragement to her teammates and her fellow classmates! Alta is a great helper to the younger grades by kindly directing them to do what is right and following the rules. Alta is meticulous with her work in all her classes, but her favorite subject is writing! In her free time, Alta enjoys crocheting and playing with her brother, Huxley. Way to go, Alta!

The Varsity Bobcats fought with the Big Bay de Noc Blackbears this week and came away a little bloodied (figuratively). It was a tight and competitive game, but the Bobcats ended the game down 73-51.

The 5<sup>th</sup>-8<sup>th</sup> grade Bobcats faced off with another set of Bobcats at the Powell Township elementary school in Big Bay. Even though it is one of the smallest courts we play in, the kids had a great time and came away with their third win, 35-10.

## Secondary Student of the Month

Munising Baptist is pleased to announce Alex Frederick as the Secondary Student of the Month! Alex is in the 7th grade and the son of Benjamin and Heidi Frederick. Alex played soccer this fall. He grew in his ability to play well and in his understanding of the game. Alex is a very conscientious student. He works hard to complete his work on time and to do it well! He is detail minded which helps keep him on track. Alex's favorite subject in school changes from time to time as he figures out his interests. In his free time, Alex enjoys video games and board games. Alex is also a hunter, both bow and rifle. Fantastic job, Alex!

## Pizza Error

Unfortunately, there was an error on most of your pizza totals last week. This has been corrected, and the totals on this week's Friday Packet Slips should be correct. The Friday slips going home today will be what you order pizza on in January, so try to keep track of them!
