Calendar Corrections

Thank you all for your attentiveness to the school calendar! The calendar for May that went out last week had *at least* two errors on it.

First, Audrey's May 2 birthday was accidentally covered by the box announcing the Senior Trip.

Second, the calendar lists the Baccalaureate service at 6:30 PM on May 19. The service, however, will take place at **6:00 PM** on May 19.

Since we are talking about the calendar, please plan on attending the combined ceremony for Kindergarten Graduation, Academic Awards, and Athletic Awards on Wednesday, May 22, at 6:30 PM. All students should also plan on attending the MBS Commencement ceremony on Sunday, May 26, at 3:00 PM.

What is a Baccalaureate?

A baccalaureate service is a ceremony to honor a graduating class within the couple of weeks before commencement. The baccalaureate is intended to provide a more intimate time of reflection for the graduating class and their families before the larger, more formal graduation ceremony. The speaker at the baccalaureate honors the graduates and their families and encourages them to find spiritual meaning in the transition from high school into college or a career. The baccalaureate service also supplies an opportunity for the community to support the graduate and celebrate both his or her intellectual and spiritual development.

Verse of the Month

"Though you have not seen [Jesus], you love him. Though you do not now see him, you believe in him and rejoice with joy that is inexpressible and filled with glory, obtaining the outcome of your faith, the salvation of your souls."

1 Peter 1:8-9
