Our elementary and high school students have an opportunity this year to connect with each other through **BIG**little groups. Each Monday morning the students are encouraged to pray with their **BIG** or little. They can also encourage each other with notes, treats, or other special things throughout the year. In addition to this, they will also be given opportunities for activities together, like **BIG**little PE or a combined art class.

Season Totals

Soccer: 4-0

Volleyball: 0-1

Soccer

The Bobcats have played 4 games already this season! The team nailed down the first two games of the season against Beaver Island, with an 8-0 mercy on the first game and 7-0 on the second.

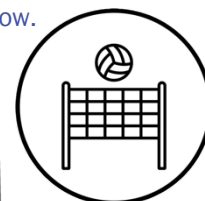

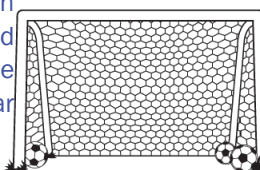

A couple days later the Bobcats matched up against the Mackinac Island Lakers, who put up much more of a fight. It was a tight game, resulting in a 3-2 victory for the Bobcats.

The team went out to face the Grand Marais Polar Bears on Thursday night and played 8-on-8 soccer. Jonny was injured in the match-up, but the Bobcats still pulled a W with a 5-0 final score, thanks to the Bobcats' hard work and one Polar Bear own-goal.

Volleyball

The Lady Cats started their season off with a game against Beaver Island. The girls started out strong in the first match, but slowly fell behind. The second and third matches fell in favor of the Islanders, but the Bobcats had several good volleys.

The volleyball team is young this year, with 3 of the 7 members being new to the sport. Help us encourage the team as they learn and grow.
